

# Falls of the Ohio State Park Secondary School Activity Sheet

Name: \_\_\_\_\_

## Gallery 1 - An Ancient Sea

1. List five types of animals that lived in the Devonian sea? What did they eat?

A. \_\_\_\_\_

B. \_\_\_\_\_

C. \_\_\_\_\_

D. \_\_\_\_\_

E. \_\_\_\_\_

2. Watch the wall with projection of the Devonian Sea. Describe what you saw in a paragraph with 12 to 36 words.

3. If you could discover one fossil in "The Best of the Best" fossil case, which one would it be? Why?

## Gallery 2 - A Changing Land

4. Describe the difference between an archeologist and a paleontologist.

5. Look at the yellow panel in front of the bison.
- Which ice age animal could have preyed on bison?
  - If you could be one of these ice age animals, which one would you be and why?
6. Name at least 2 ways that ancient cultures used animals to survive and prosper.

### **Gallery 3 - Converging Cultures**

7. Lift the Kentucky Long Rifle. What advantage would a long barrel have over a short barrel or pistol?

### **Gallery 4 - The Falls Today**

8. List / arrange the 5 different ecosystems from closest to farthest from the Ohio River.

9. Examine the wall of river trash. List 3 items in each category:

Biodegradable

Non-biodegradable
